

**M I N U T E S**  
**WORKSHOP MEETING**  
**DISTRICT BOARD OF TRUSTEES**  
**GULF COAST STATE COLLEGE**  
**JANUARY 8, 2026**

10:00 a.m.

Chair Bulger called the workshop meeting to order at 10:00 a.m. at Gulf Coast State College, Main Campus Administration Room #238. Those in attendance and constituting a quorum were:

**Members Present** Boyd Bulger, Bill Cramer, Jr., Tricia Berry, Frank Hall, Dr. Abel De La Rosa, Floyd Skinner, and Joe Tannehill, Jr. David Powell

**Other** Glen McDonald, President of Gulf Coast State College, Cheryl Flax-Hyman, Executive Vice President, Teresa Worman, Executive Assistant to the President

**I. Call to Order**

**II. Welcome** Mr. Bulger welcomed attendees.

**III. Building Naming  
Eligibility  
Workshop** Manual of Policy (MOP) 5.178, *Naming of Facilities and Other Methods of Recognition*, was reviewed.

Discussion ensued, and it was determined to leave the latest, approved MOP 5.178 in place. The group agreed to discuss the gift agreement with the Gulf Coast State College Foundation with consideration given to adding a Schedule and/or Procedure document.

Further discussion addressed some agreements that lack sufficient safeguards. It was agreed that, moving forward, contingency provisions should be refined to avoid one-sided agreements and to establish stronger, more appropriately structured terms.

Any changes/additions will be brought before the District Board of Directors at a future Board Meeting.

**IV. Adjournment** Meeting adjourned at 11:45 a.m.
